

### REMARKS

Respectfully, the Examiner has rejected claims which do not exist in this application, and therefore, a new non-final action needs to be presented.

Claims 34-40 and 44-50 are pending in this application.

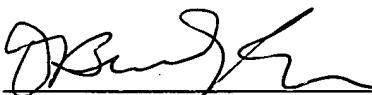

However, the Examiner rejects claims 1-13 based on various combinations of art.

Assuming the claims addressed by the Examiner are simply mis-numbered claims of the present application is not appropriate as there are 14 claims pending in this application and the Examiner only referenced 13 claims for rejection.

In view of the foregoing, Applicant respectfully requests a new non-final action addressing pending claims 34-40 and 44-50.

Respectfully submitted,

Dated: 3-6-03
